People Today,
More Than Ever Before,
Are Suffering Needlessly!

Bio ALLERGENIX

**Now You Can,
Live Life Symptom Free!**

If you or your loved ones are suffering from:

- Allergies to:
 - Foods
 - Pollen/Trees/Flowers
 - Detergents/Chemicals
- Eczema
- Irritable Bowel Syndrome
- Digestive Problems (Indigestion/Bloating)
- Migraines
- Chronic Fatigue Syndrome
- Aspergers
- Autism
- Chronic/Recurring Conditions

You're not alone.

Over 50 million Americans are suffering from these and many other conditions. Relief is now available!

These conditions are at epidemic proportions due to high levels of pollution, pesticide use, processed foods and many other factors. They are proven to have a cumulative effect on a person's immune system, eventually resulting in more serious and long-term health problems.

Our office NOW provides diagnosis and treatment with the BAX-3000!

An FDA cleared and patented system to identify and eliminate the cause of your condition!

The **BAX-3000** is a revolutionary alternative, offering painless and effective results, which can eliminate or dramatically reduce symptoms.

Restore your quality of life without painful injections and medications that only provide temporary relief.

Read what BAX-3000 patients have experienced:

"My daughter, who suffers with Asperger's Syndrome was able to sit still and read. I noticed a remarkable difference..."

"My celiac is totally gone. I was able to eat cookies for the first time in years"

"Every time I ate, my stomach would bloat, no matter how little I ate. Since being treated, I can leave my belt buckle strapped!"

"I had migraines every day for six years, it's been six months, headache free!"

"All my kids ever wanted was a cat, I couldn't do it. I was just too allergic. It broke my heart. They are now the proud owners of a cat. Thanks Doc!"

"My daughter can finally play in the grass with all the other kids, with no fear of having to go to the hospital!"

"My son can now eat peanuts, peanut butter and jelly sandwiches, and even Reeses Pieces. And so can the other kids in his class!"

Ask the doctor NOW, if you, or your loved ones are candidates for treatment with the **BAX-3000**! Not everyone is a candidate, but those who are may experience life-changing results!
